

5. Personal Description

#1359

This page is to be completed by the donor
**PLEASE COMPLETE ELECTRONICALLY OR HANDWRITE IN BLACK INK USING
BLOCK CAPITALS**

The space below is provided for you to give a description of yourself as a person. The type of information that may be helpful could include your education, achievements, values, and life experiences. Try to imagine yourself as a donor-conceived person, and think about what you might wish to know.

I am the person who believe in god. also ~~on~~ my parents love my god for me family very important i can do whatever keeps them. They spend money they spend time with me that ~~feels~~ that we have interest for i am for them my all wish come true because of my parents we should respect them

my education is about now studying MBA IN MARKETING. my first achievement is in 2006 when we dance show in school

Also i have experience its time like those we everyday something when we meet different kind of people that up to me while we need learn from them so i always talking good things from people who next me. always behind what they when doing

God give us better life as humans so we need use our wisdom. do what we like not only do what keeps you happy.

Please continue on additional pages as required (writing the same form number as above on each page)
