

Hi there,

I have not got much to say about myself,
I always prefered my actions to talk instead
of ~~me~~.

I started to work next to school when
I was 16. I never mind make my hand
dirty because I always had a goal to reach.
I never give up and I like to prove people
wrong. [REDACTED] [REDACTED] but I achieved
more than anyone from my old school.

I hope everything went well and I
would like to wish the best of luck
and life for you and for the child!
